MEMORANDUM FOR: Director of Central Intelligence

FROM : Angus MacLean Thuermer
Assistant to the Director

SUBJECT : NBC "Tomorrow" Show

I checked again with Andy Friendly, the producer of the "Tomorrow" show. The format is yourself and Tom Snyder -- just the two of you -- in a conversation for an hour. Friendly says Snyder does not argue much, he simply "raps." They are not out to give you the shiv; they merely want a relaxed chat; they don't view themselves as 60 Minutes.

Friendly said that they have recently had Secretary Rumsfeld on one show and later Secretary Butz. Both were well received and felt at ease. Coming up are Ambassador Scranton and ---later---Edward Bennett Williams. They have aired Governor Carter and tonight they have Woodward and Bernstein.

Friendly hopes that you can do the taping when you are in New York on the 3rd of May for the Overseas Press Club dinner. They need an hour. Their best time for taping (less overtime costs for crews, etc.) would be May 4th (sic) in the evening at 7:30 but they will accommodate to any time you can spare on the 3rd.

Dear General Walters:

Our appreciation of your visit to the River Oaks Rotary Club is really hard to express in words. I have received calls from many of our members asking when you could make a return visit.

The program was with out exception the very best our club has ever had.

It is a very reassuring feeling to know that there are men such as yourself in our country's most trusted position.

Your visit was really a great honor for us and your thoughts will be long remembered.

Sincerely,

Fred Blanton

Dear Mr. Bush:

On Sunday afternoon, September 12, 1976, the Pittsburgh and Tri state Council of the Jewish National Fund will inaugurate its First Annual United Synagogues of America Brunch at the Tree of Life Synagogue. This Brunch will be a major event in Pittsburgh and will be attended by many communal leaders. It will be especially significant because it marks the 75th anniversary of the founding of the Jewish National Fund which, as you know, has been the agency responsible for purchasing, reclaiming and re-foresting the land of Israel.

The Board of Directors of the J.N.F. has asked me to extend to you our invitation to deliver the major address at this function, subject matter of your own choosing.

It would be very much appreciated if you could let us know at your earliest opportunity whether or not you would be able to accept our invitation so that we can make the necessary arrangements.

Thank you for your kind consideration of this invitation.

Sincerely yours,
